Label Guarantees:	Vitamin B-12.....	90 mcg/lb
	Menadione.....	7 mg/lb
	Riboflavin.....	65 mg/lb
	d-Pantothenic Acid.....	69 mg/lb
	Thiamine.....	34 mg/lb
	Niacin.....	225 mg/lb
	Vitamin B-6.....	18 mg/lb
	Folic Acid.....	3 mg/lb
	Choline.....	33 mg/lb
	Biotin.....	0.9 mg/lb
	<i>Saccharomyces cerevisiae</i>	100 X 10 ⁹ CFU/lb

Ingredients: Plant protein products, active dried yeast (*Saccharomyces cerevisiae*), dried *Trichoderma longibrachiatum* fermentation product, niacin, vitamin B-12 supplement, riboflavin-5-phosphate, d-calcium pantothenate, choline chloride, biotin, thiamine mononitrate, pyridoxine hydrochloride, menadione dimethylpyrimidinol bisulfite, folic acid, calcium aluminosilicate, sodium aluminosilicate, diatomaceous earth, calcium carbonate, rice hulls and mineral oil.

Physical Description: Color.....off white

Feeding Directions: **For lactating cows**, feed 56 g/head/day for 21 days pre-fresh through a minimum of 140 days in milk (56 g equals 2 oz per day for a 1,400-lb animal). For best results, continue to feed at the rate of 28 g/head/day for the remainder of lactation. When changing forage, use 56 g/head/day for 30 days prior to the change.

For calves, feed at the rate of 2 to 4 g/head/day per 100 lb body weight.

Packaging: 50 lb bags (22.67 kg)

Shelf Life / Storage: Store in a cool, dry place. Do not feed mold or insect infested feeds to animals.
