NO. 09847 ORANGE LAKE DISPERSION O.B.

- DESCRIPTION:** A suspension containing:

Partially Hydrogenated Cottonseed & Soybean Oil
FD&C Yellow #6 Lake
Sorbitan Monostearate
- PURE DYE:** Not less than 6.8%.
- IDENTIFICATION:** Compares favorably to accepted standard.
- PACKAGING:** Standard packaging for this product is five gallon plastic containers. One gallon (packaged four per case), thirty and fifty-five gallon plastic containers are also available. A 200-pound minimum order is required for all custom products.

The four additional trailing digits to our current five digit product numbers are used primarily to identify package size and type.
- STORAGE:** Product should be kept in closed container at ambient temperature and humidity.
- SHELF LIFE:** Two years from date of manufacture. This product may settle upon storage. We recommend agitation/shaking prior to use.
- KOSHER STATUS:** This product is Kosher certified.
- FDA STATUS:** This product is approved by the FDA and meets the specifications outlined in the Code of Federal Regulations, Title 21, Parts 74 and 82.
